

Portal Clinical Data

Here are quick tips for RI HIE Portal Clinical Data. Learn more at: RIHIE.org/ClinicalData

RI HIE Portal allows access to multiple tools in one login account:

Patient Search

Clinical Information (Formerly Viewer)

Encounter Notifications for your panel (Formerly Dashboard)

Other Tools

The screenshot displays the RI HIE Portal interface. At the top, there's a navigation bar with the RI HIE logo, copyright notice, and user options like 'MY HIE ADMIN(S)', 'SEND FEEDBACK', 'PRODUCT UPDATES', 'Your Name', and 'LOGOUT'. Below this is a 'HOME' button and a search bar for 'Search Applications & Reports'.

The main content area is divided into several sections:

- Patient Search:** A form on the left with fields for 'First Name' (Myrtle), 'Last Name' (Beach), 'Date of Birth' (05/04/1954), 'Gender' (Female), and 'SSN'. There are 'Reset' and 'Search' buttons.
- Search Results:** A table on the right showing search results for 'Myrtle Beach'. A 'Select App' dropdown menu is open, showing 'Clinical Information' as an option.
- Population Explorer:** A sidebar on the right titled 'Population Explorer' showing a list of patients with details like 'Walker_DEMO, Daniel', 'Hartman_DEMO, Richard', and 'Hudson_DEMO, Laura'. It includes a 'Download' button and a 'View Panel' dropdown.
- Your Dashboard:** A section at the bottom with a note: 'For applications requiring patient context, please start by using the Patient Search interface above.' It contains four tiles: 'HIE Admin Tool', 'Panel Processor', 'User Guide & Help', and 'Clinical Information'.

Clinical Information is available within the left (blue) tabs and then the gray tabs within those. This example shows **Clinical Data > Health Records > All**. There are also tabs to view only Lab, Radiology or Clinical Notes:

The screenshot shows the Rhode Island HIE InContext portal for a patient named ADAM DEMOSKY. The interface includes a left sidebar with navigation tabs, a top header with user information and search, and a main content area with a list of health records.

Callouts and their corresponding content:

- Patient Demographics:** Points to the 'PATIENT INFORMATION' tab in the left sidebar.
- Clinical Data:** Points to the 'CLINICAL DATA' tab in the left sidebar.
- Encounters:** Points to the 'ENCOUNTERS' tab in the top navigation bar.
- Health Records:** Points to the 'HEALTH RECORDS' tab in the top navigation bar.
- CC Documents (Structured):** Points to the 'STRUCTURED DOCUMENTS' tab in the top navigation bar.
- Other Tabs:** Points to the 'MY PATIENT SUMMARY' tab in the left sidebar.
